

Every store is an experience.
We design this experience in
the best way possible.

The logo for SOVA, featuring the word "SOVA" in a bold, white, sans-serif font. The letters are closely spaced, and the 'O's are particularly prominent. The logo is set against a red background that forms a horizontal band across the bottom of the image.

SOVA

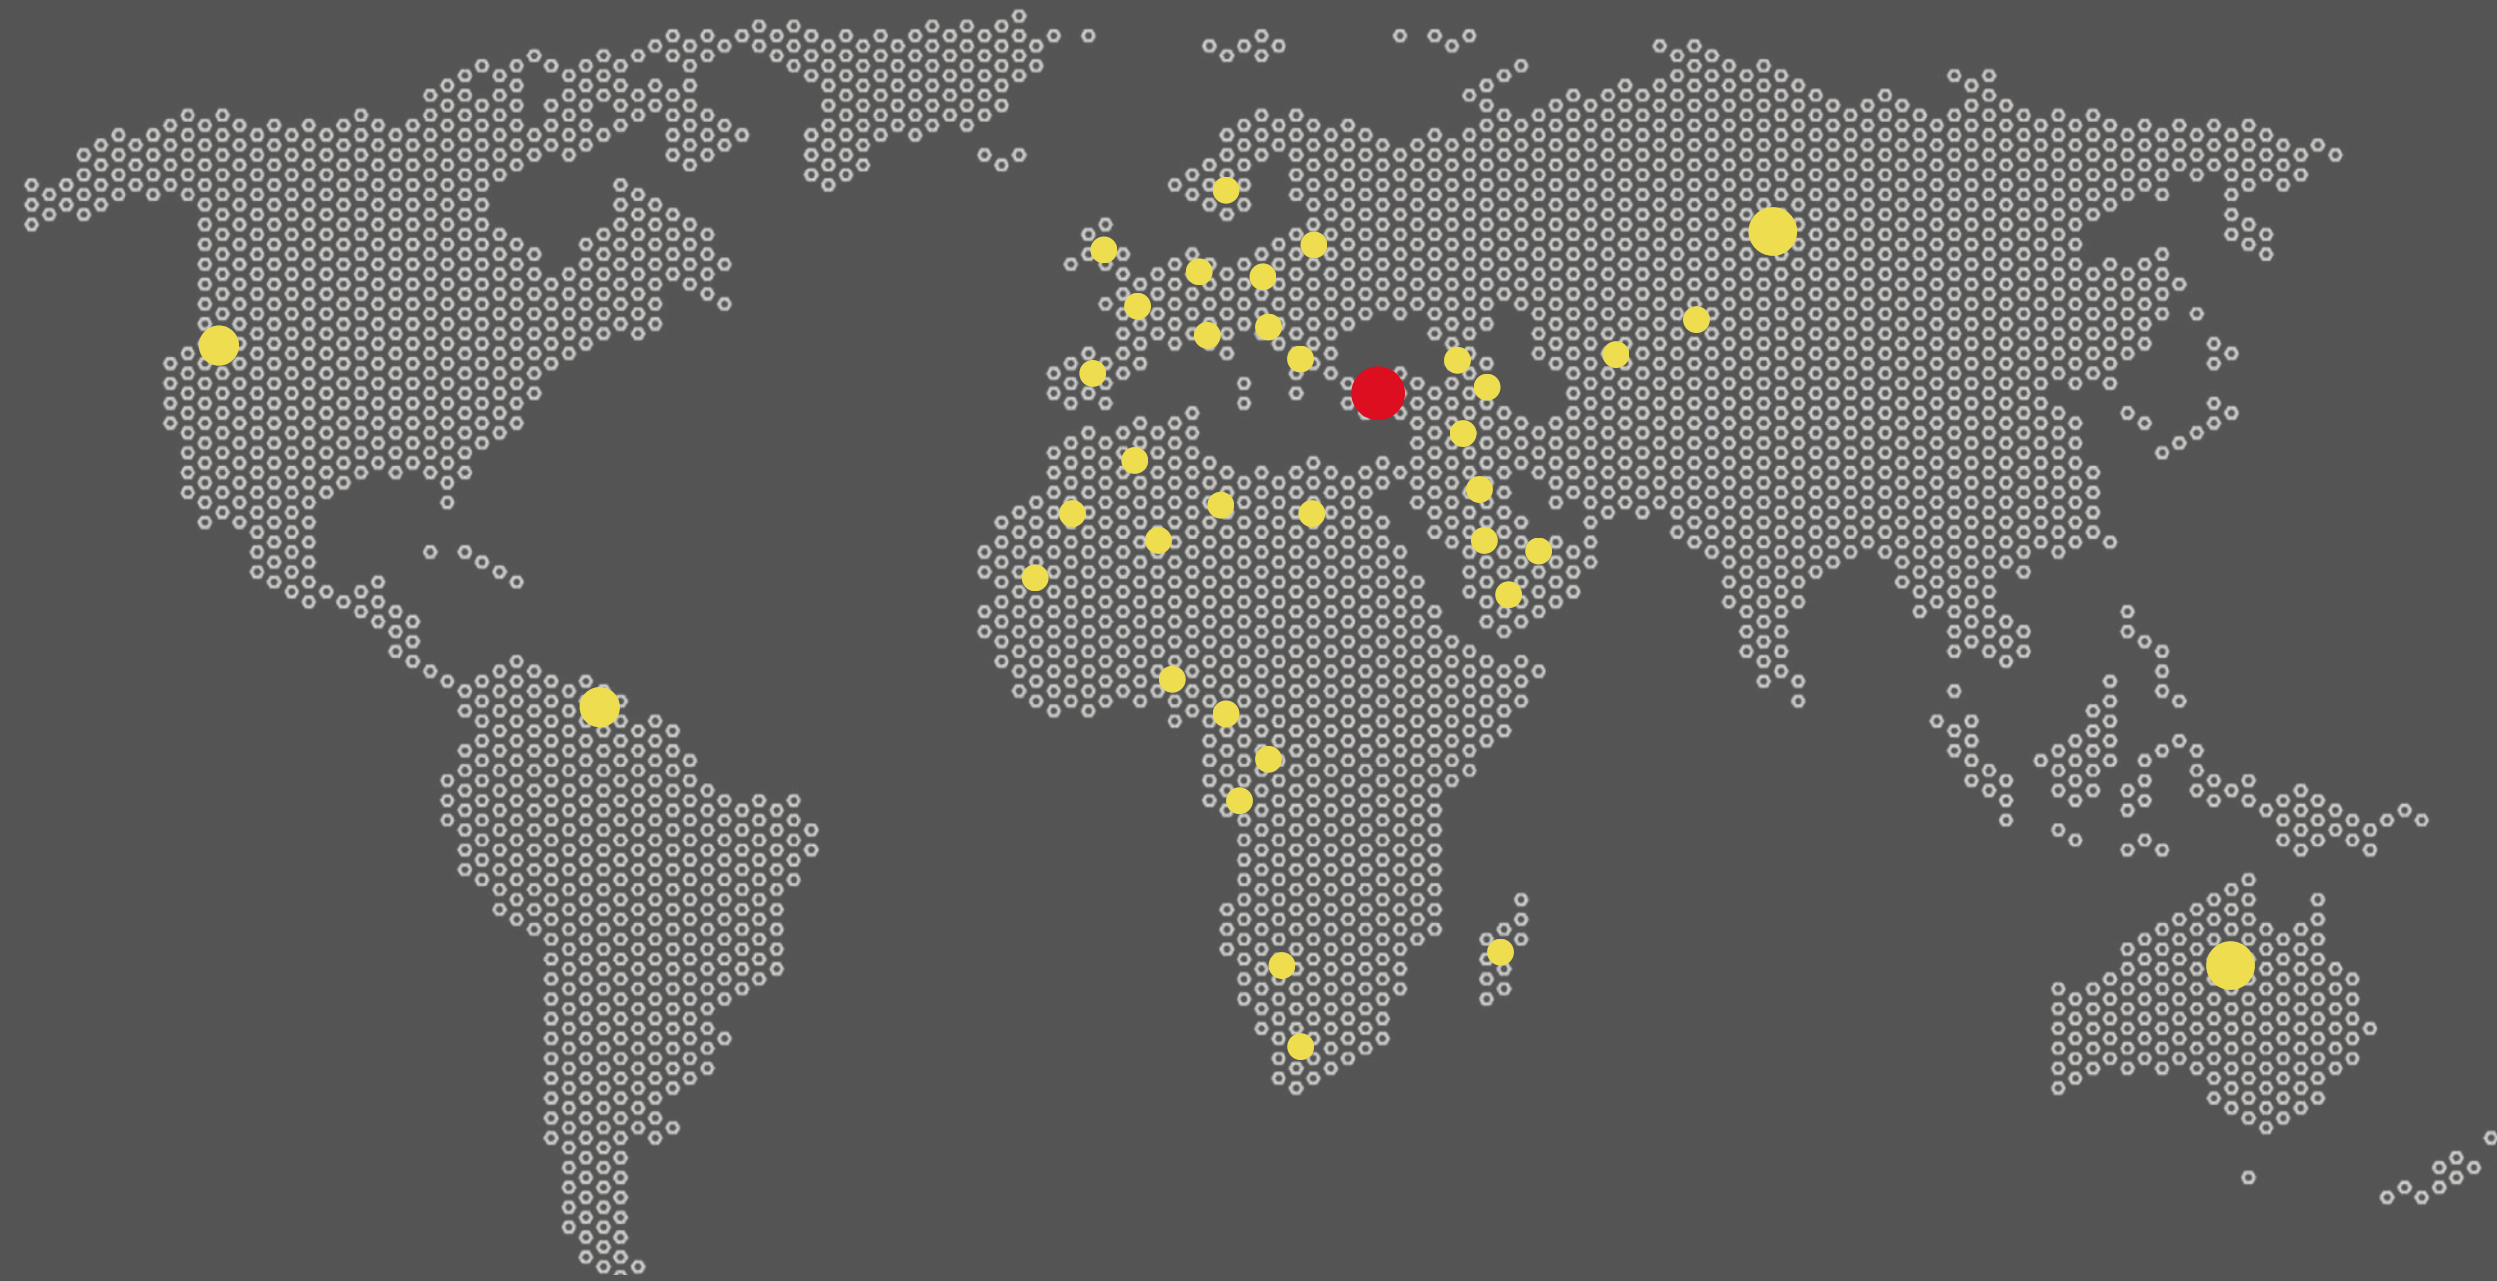

RETAIL SOLUTIONS

Why SOVA ?

Every retailer strives to stand out from the crowd. Using concept-specific equipment to showcase products more effectively in your stores can set your business apart. Our custom-designed solutions are here to help you achieve your goals. All we need is for you to share your vision or requirements with us. From ideation and research to design, prototyping, and production, we handle it all—until we see your smile.

EMITANO

Global Reach, Worldwide Service

With robust access to diverse markets across the globe, we have the capability to execute projects in various regions. We combine quality and reliability to deliver excellence in international markets. As a trusted partner, we provide solutions to global retail chains in numerous countries worldwide.

Strong Partnerships in Local and Global Markets

With extensive experience and expertise, we have successfully completed countless projects across all provinces of Turkey and in over 30 countries worldwide. Together with our expert SOVATEAM, we are redefining retail and shaping the future of the industry.

END-TO-END INTEGRATED SOLUTIONS

We provide comprehensive solutions for your store projects, covering every phase—from design to production, delivery to installation.

With seamlessly integrated processes at every step, we guarantee a high-quality and efficient outcome, from the initial concept to the final execution.

We don't just offer a service; we promise an integrated, flawless experience throughout the entire process.

With strong coordination and professionalism at every stage, we ensure the successful completion of your projects.

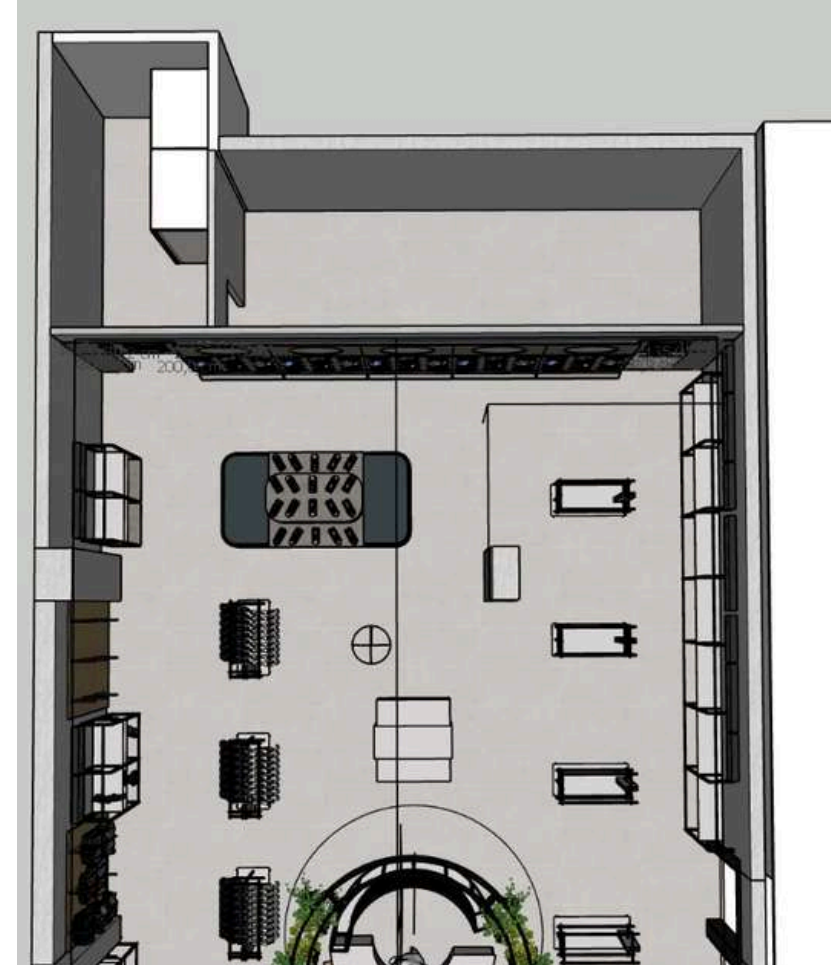

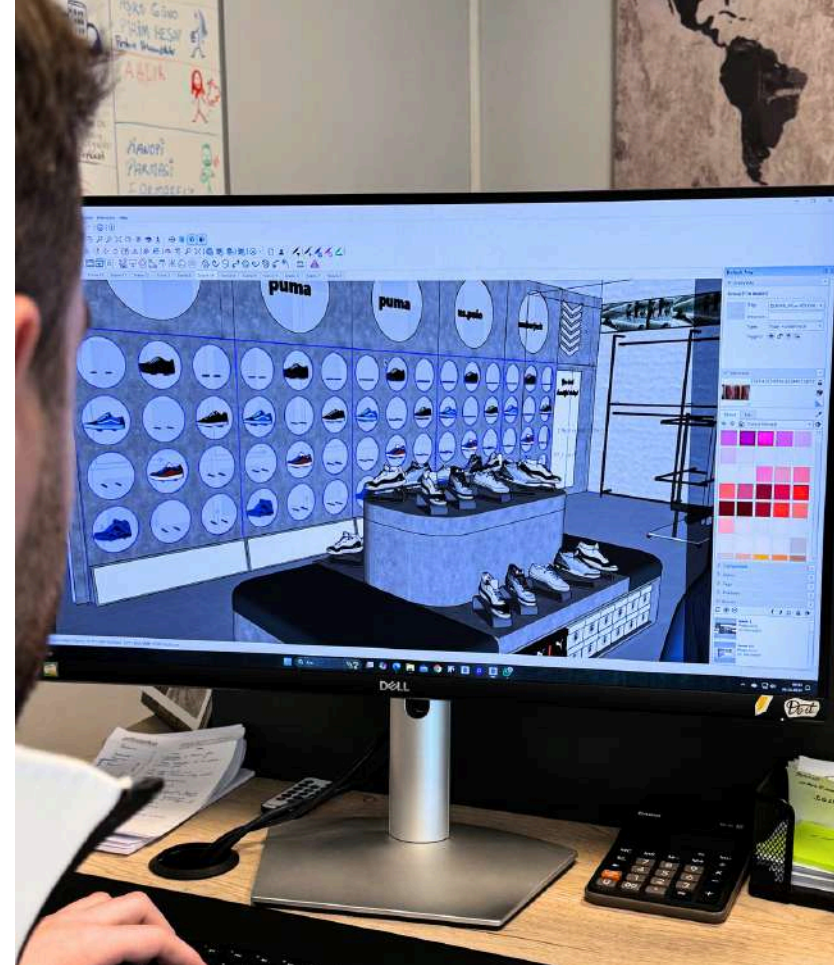

FROM PRODUCT TO SPACE

“Would you like to work with a design team that truly understands you?”

We meticulously plan and execute every step—from designing products that add value to your stores to creating the perfect spaces to showcase them.

This process, where functionality meets aesthetics, is enriched with creative solutions that highlight your products.

At every stage, we offer a unique and holistic approach tailored to the specific needs of your brand.

THE POWER THAT SETS US APART!

Our portfolio is filled with tangible examples showcasing how we achieve excellence and deliver customer-focused designs in every project.

We're excited about the opportunity to collaborate with you on your upcoming projects.

Count on us for creative, functional, and aesthetically flawless designs every step of the way.

Creativity and Innovation in Design

In the design process, we deliver unique and creative solutions that reflect the distinctive identity of each brand. Every store in our diverse portfolio is a testament to our aesthetic vision and attention to detail. We stand out by offering customized designs tailored to each brand's target audience and marketing strategies, ensuring every project makes a lasting impact.

On-Time Delivery and Flawless Installation

Delivering projects on time and with complete precision is our top priority. Our professional team meticulously manages the delivery and installation phases, ensuring a seamless process. We provide our clients with transparency and assurance at every stage of their project, building trust and exceeding expectations.

Quality and Excellence-Driven Production

Our work reflects the highest standards not only in aesthetics but also in quality. Throughout the production process, we maintain unwavering attention to detail, from the materials used to the craftsmanship. In every project, we prioritize durability and visual appeal, ensuring results that stand the test of time.

Success Across Diverse Industries

Our portfolio spans a wide range of sectors, from retail to healthcare, food, technology, and luxury brands. We craft tailored design solutions to meet the unique needs and demands of each industry. This diversity equips SOVA with the flexibility and adaptability to excel in any project.

HOW DOES OUR FLEXIBLE PRODUCTION CAPABILITY TRANSFORM YOUR PROJECTS?

We protect your budget, maximize time and never compromise on quality.

We understand that every design is unique. That's why we bring your projects to life exactly as envisioned, and always on time.

The secret to excellence lies in the power of flexibility.

We set your imagination free.

By masterfully combining diverse materials and bringing them together under one roof, we turn even the most complex designs into reality.

SOVA : A SIGNATURE IN EVERY ASPECT OF RETAIL

Mağazacılığın tüm kategorileri için çözümler üretiyoruz.

İster mağaza konsepti, ister A'dan Z'ye anahtar teslim mağaza projesi, ister sadece bir ürün olsun; Sova'da mutlaka size uygun bir çözüm bulacaksınız.

Gıda marketlerinden tekstil mağazalarına, eczanelerden özel kategorilere kadar geniş bir yelpazede hizmet veriyoruz.

Bu kapsamlı yaklaşımımızla, perakendenin her alanında varız ve perakendenin geleceğinde söz sahibi olmak istiyoruz.

GROCERIES

SOVA provides comprehensive solutions for supermarkets, wholesale markets, and international retail chains.

Our designs focus on the efficient display of products, optimizing customer flow, and enhancing the shopping experience.

We develop large-scale layout plans, product-specific sections and functional equipment designs tailored to meet the unique needs of the groceries, including for categories like fruits and vegetables, bakery products, and beverages.

In every project, we offer modern and functional solutions that reflect your brand identity.

CONCEPT STORES

We offer creative and functional solutions for your specialty stores.

For various retail categories, such as home textile stores, glassware stores, electronics retailers, tobacco shops or toy stores, we bring your store projects to life with unique designs that align with your brand identity.

We design each store to ensure products are displayed as efficiently as possible while maximizing the customer experience.

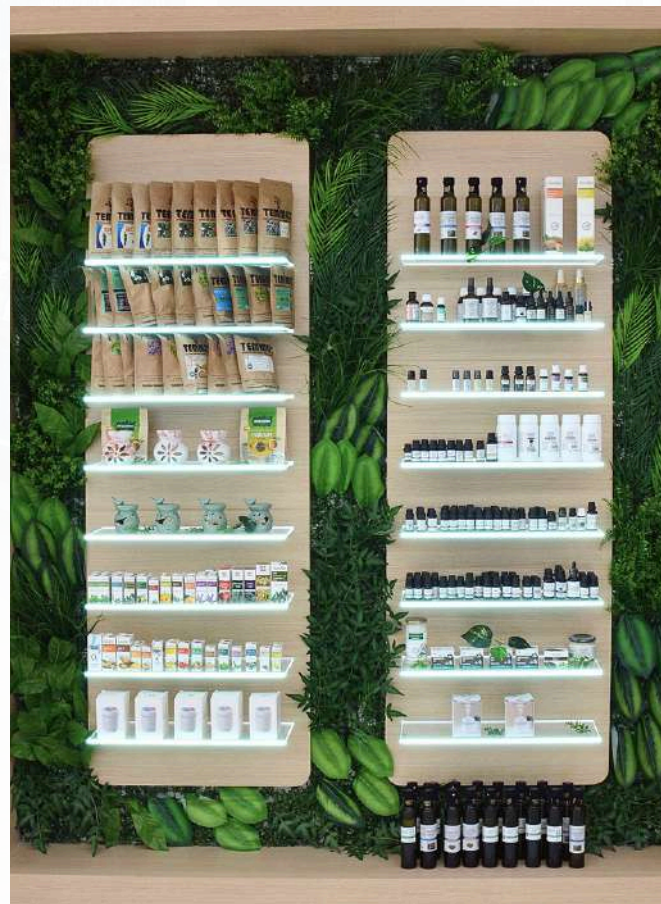

GARMENT STORES

We provide innovative and functional designs for apparel and home textile stores.

Each store is designed to reflect the brand's style while ensuring products are displayed effectively.

While creating dynamic and modern atmospheres in sportswear stores, our designs for homewear and home textile stores provide a warm and inviting environment.

SOVA's flexible solutions are tailored to meet each store's specific needs, offering a stylish, functional and aesthetically rich shopping experience.

HEALTH & PERSONAL CARE

SOVA is a strong partner for investors in healthcare and personal care store projects.

In specialty locations like pharmacies and cosmetic stores, we design aesthetic and functional spaces to deliver the best consumer experience.

We create healthy and spacious stores using a harmonious blend of wood, glass, and metal, along with custom LED lighting applications and unique display systems for counters and walls.

EXCLUSIVE PRODUCTS ONLY AT SOVA!

farmarack

Farmarack is SOVA's trademarked pharmacy drawer shelving system. By optimizing space, it stores medicines and medical supplies in a compact way while maximizing non-pharmaceutical retail areas.

With fully extendable telescopic drawers, a high capacity, and a labeling system, **Farmarack** provides the most efficient in-store storage solution for the health and medical sectors, seamlessly blending into the store's décor.

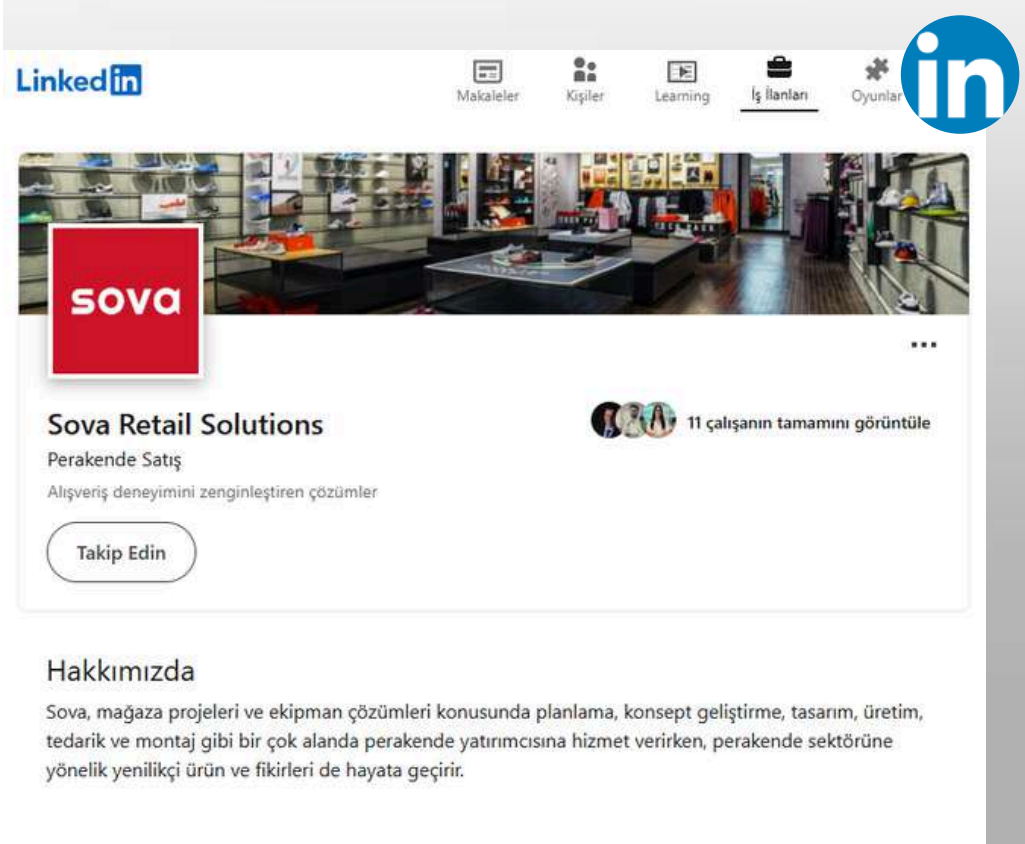

DYNAMIC !

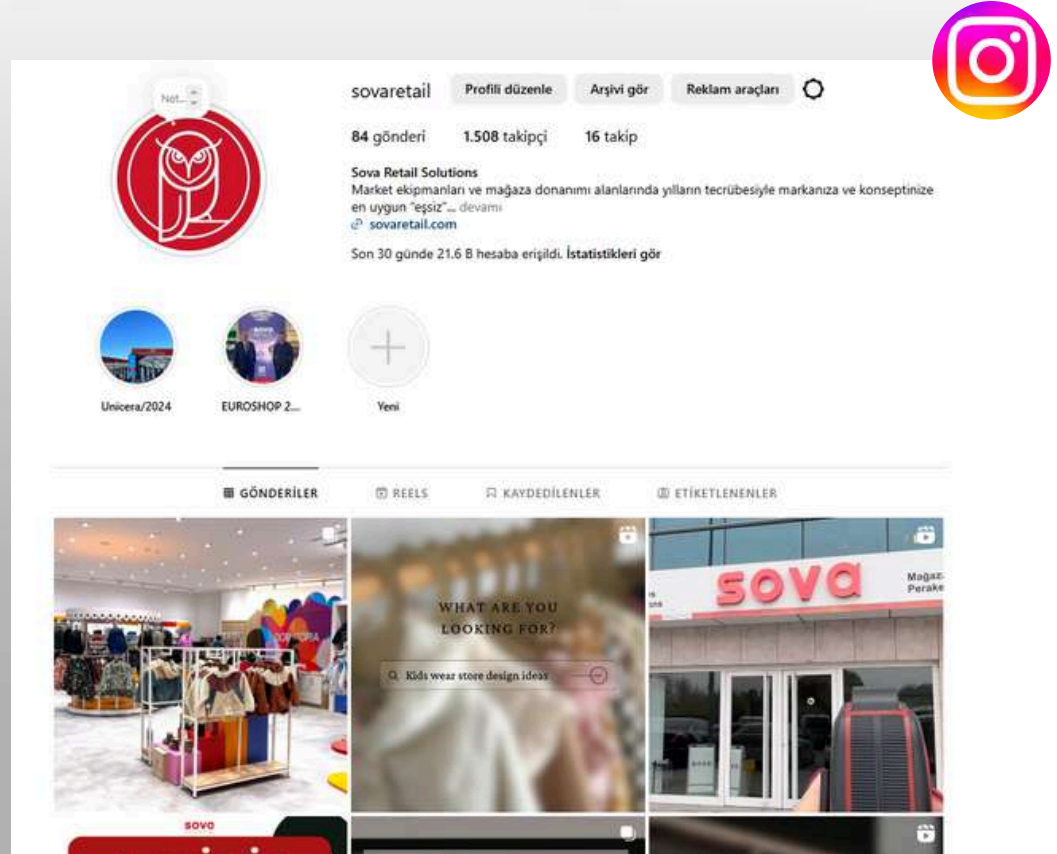

Dynamic! is a modular shelving system that is highly adaptable to almost any type of store, offering flexible design options tailored to your needs.

It allows you to organize product displays as you wish and can be customized according to your store's concept. With its special design that requires no screws or bolts, it's easy and quick to assembly.
